CLUB BULLETIN

Mid-Town has taken a **modern** approach to the Club Bulletin. Rather than having a weekly bulletin limited to members, Mid-Town has embraced a more modern approach - the web - where its activities can be viewed globally.

Mid-Town has **two places** where it has a web presence:

- 1.) By having a very active **web page** that not only gives the history of club activities it also updates club activities as they happen;
- 2.) By having a **Facebook** page with more than 400 likes. See below images of www.facebook.com/RotaryClubOfKathmanduMidtown and our Rotract Club Facebook page has more than 1770 likes at www.facebook.com/Rotaractclubofktmmidtwn.

See web at: rotarymidtwn.org.np/index.php
The web page and the Facebook pages of both our Rotary Club and our Rotract Club are linked to our Club web page.
